

NORRA

RAPTOR RALLY

2027 PARTICIPANT CHECKLIST

GEAR UP. CHECK IT OFF. GO BAJA.

PARTICIPANT VEHICLE CHECKLIST

Driver: _____ Vehicle: _____ Entry #: _____

RAPTOR OWNERS ONLY
Ford F-150 Raptor | Ranger Raptor | Bronco Raptor

01 REQUIRED TO BE READY

- ☐ Eligible Raptor, street legal and currently registered.
- ☐ Mexican road insurance and valid driver's license.
- ☐ Entered in NORRA Raptor Rally. Display NORRA number badges on the front and both sides.
- ☐ Starlink installed and working to stay connected with your group and NORRA Race Operations Control.
- ☐ Phone or tablet running DirtOS for navigation and communication with Race Operations Control. Load the Raptor Rally route and demonstrate it at tech.
- ☐ 50-watt minimum VHF radio with a tuned, properly mounted antenna; NORRA frequency 151.625 MHz programmed.
- ☐ Rear-facing amber light; keep it on in dirt and dust.
- ☐ Required Driver or Co-Driver wristband for every occupant.

02 REQUIRED ON BOARD

- ☐ Tow strap and a way to attach it to your tow hook.
- ☐ First aid kit and fire extinguisher.
- ☐ At least 1 gallon of drinking water per occupant.
- ☐ Full-size spare tire matching your other tires.
- ☐ Tire jack and tire-changing tools / lug wrench.
- ☐ Camping gear for an unexpected overnight stop, basic survival gear and required medications.
- ☐ U.S. citizens: FMM tourist permit and passport / passport card per the rule book. A U.S. passport is required for medical airlift.

60 MPH MAXIMUM IN THE DIRT

Stay behind your official NORRA leader and follow any required route changes.

NO DRINKING AND DRIVING

Drinking and driving will disqualify you from the event and you will be asked to leave.

03 SUGGESTED VEHICLE CAPABILITIES AND SPARES

Rule 15.2.2 lists suggested minimums. Contact info@norra.com before entering if your vehicle does not conform.

- ☐ Aggressive LT tires: 32-inch minimum diameter and 7-inch sidewall; 33-35 inches recommended.
- ☐ Skid plates to protect the oil pan; fuel capacity for 150 off-road miles; front and rear tow hooks.
- ☐ Air compressor, tire gauge, plug kit and basic tools.
- ☐ Vehicle-specific fluids, spare belts, hoses and air filter. Check tires, brakes, fluids and recovery points.

ALSO RECOMMENDED: Close side windows in the dirt. Use race safety equipment where appropriate; modified vehicles with cages or open cabins must meet applicable Safari safety rules.

YOUR RAPTOR RALLY PACKAGE: All hotel rooms at overnight destinations, upgraded accommodations, breakfast, lunch and dinner, private VIP venues, and nightly dinner with Robby Gordon and the event Grand Marshal.

QUESTIONS / VEHICLE APPROVAL: info@norra.com | NORRA.com

Based on Safari rules in 2026 Vehicle Rules v6.1, Sections 15.1-15.2, and General Rules v5.0, with 2027 updates.
Participant preparation checklist; final eligibility is subject to NORRA approval.
